

Counting

**WHAT GREW
IN THE
GARDEN
THIS YEAR?**

Activity

Today, we will count our school garden's harvest by

GROUPING

and

COUNTING

**Which vegetables
did we harvest?**

Counting

Group

Identify similarities and differences between vegetables.

Place similar vegetables together.

What are the differences between the vegetables?

Tally

How much of each vegetable do we have?

Which group of vegetables looks like it has the most? The least? Is that the same as the count?

How many vegetables
do we have
in total?
